

FOOTERS

The screenshot shows a navigation bar at the top with icons for Previous, Info, Theme, Image, Color, Pages, Details, Settings (highlighted in red), Complete, and Next. Below the navigation bar is the 'Site Settings' section, which includes a 'Website Domain' panel with instructions and a text input field, and a 'Google Analytics Account' panel with a text input field for the ID. Below this is the 'Footer Settings' section, which is divided into three columns: 'Left Footer', 'Center Footer', and 'Right Footer'. Each column has a dropdown menu to select a footer type, a text input field for a title, and a text area for the body content.

Footer Settings are managed from the **Settings** tab. You may specify a Left Footer, Center Footer and/or Right Footer. Click the drop down to choose from the footer options.
